Young Marketeer Project

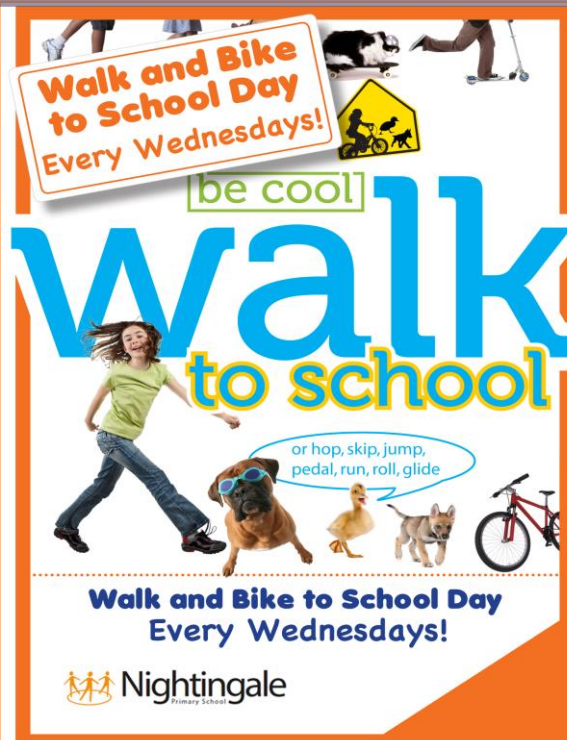

This year Nightingale School is taking part in the 5th 'Young Marketeer Project'. On 26th April two of our children joined other children from primary schools from all over London, for training on growing vegetables and market training at Borough Market. In October we will be selling our vegetables and other produce we are growing in the gardens at Nightingale School at the Market.

Healthy Lunch Pack should have only:

Yr 6 - After SATS

After the stress of SATs, Year 6 students had a day out bowling.

After so many years of glorious headship, our Dear Head Teacher, Mrs Catrina Tilbury, has decided to retire in August 2016. The whole school community has come to depend upon her to provide a start for the children to a great platform for their future success. We are going to miss Mrs Tilbury
