World Water Day

Pupil Pipe Line

On Tuesday 22nd March, We had a fun packed day as part of our fundraising efforts for World Water Day. All the children across the school went Blue for the day, to raise money for Water Aid. Children from Nursery to Year 6 made human pipelines and passed buckets/containers of water along the line trying not to spill a drop. Thank you to all our staff and children for making the event a big success. We raised an amazing £180.
