Ocean Maths Workshops

A huge thank you to all the parents who came to and participated in the Ocean Maths workshops over the past term. The next series of workshops will start after Christmas. There are Ocean Maths packs available to buy from the office with all the necessary resources to play the maths games with your children.

Calais Refugee Crisis

A request to parents/guardians to donate canned food items to children in refugee camps in Calais. Do not send any cash but **canned food only**. Please put the food cans in the boxes provided in every classroom – Monday 2nd November until Thursday 5th November.

On Friday 6th November, the Calais Refugee Crisis organisation will come and collect this. The school will receive a certificate for this donation. Thank you.

Dinner / Breakfast Payments

All parents / guardians are requested to clear off dinner / breakfast debts if you have any and keep your child's account in credit at all times. This will avoid you from receiving debtor notices from the school.

Year 6 visit the City

Last Wednesday, Year 6 spent in the day at *Market* insurance firm, in one of London's newest buildings— the 'Walkie-Talkie' tower. The programme, run by *The Brokerage Citylink*, aims to introduce children to working life in the city. The children got the opportunity to speak to city workers and informally interview them about their jobs and experience.

Attendance Awards

Well done to Year 6, who came out on top last week with 100% attendance.

Please ensure your children are in school on time at 8.55am every day.
