London Youth Choir

As a culmination of all their hard work, children from Yr 5 and Yr 6 travelled to St. Sepulchre without Newgate Church to give a concert to the public. The children had numerous workshops with London Youth Choir preparing them for this event. A great day for all students!

Healthy Lunch Pack should have only:

- A sandwich
- Piece of fresh fruit
- Dry fruit
- Bottle of water
- Cereal Bar

There will be routine checks of lunch boxes. Cake, chocolate, drinks, crisps, biscuits will be confiscated and returned to parents. We want every child to have a healthy meal for lunch.

Science Workshop

Well done to all the children who attended the science workshop at Clapton Girls' School.

Thank you to all the year 5 and 6 parents and children who joined us for the Science Opens Doors workshop.

This is what some of the children and parents had to say.
"I thought it would be more difficult to make a periscope but actually made it."

"I think it's lovely when we are invited into school to work with our children and see what they are learning about."

Year 2 received 9 chicken eggs this term. All 9 of them hatched. They did a very good job taking care of them. The chicks have returned back to Bowland farm and are doing very well.

Visit to Houses of Parliament

Nightingale students had the privilege to visit the Houses of Parliament. Children learnt about the history of the parliament. They saw the rooms where the House of Commons and House of Lords sit in and the Queen's Room.

We were lucky to meet Ms. Diane Abbott during her visit to the school. Ms Abbott spoke about her role within Hackney and UK wide politics. Ms Abbott had a tour of the school and a press conference with the Student Council.
